

OFFICE OF GLOBAL SERVICES

Mission

The Office of Global Services (OGS) is an active resource to over 20,000 international students and scholars from 147 different nations across the world. We provide the professional expertise and support you need to maintain compliance through immigration, academic, and your employment experiences—helping you remain a valuable member of the Northeastern community. There are many different rules and regulations to be aware of when traveling to your campus destination, and it's your responsibility to make sure you comply with these regulations. Please select your campus destination to learn more about what you need to do and when to arrive for your first day of class.
